

**MARY: 35-60; she works at the hospital as a counselor. A strong woman who has experienced life and wants to help people as a result of her experiences...COUPLE SCENES**

INT. HOSPITAL LOBBY — DAY

BeauDrey waits in the lobby alone. A conservatively dressed woman with a Hospital name-badge that says MARY approaches BeauDrey. She speaks in a nurturing voice.

MARY

Hello.

BEAUDREY  
(confused)

Hi?

MARY

Hi, my name is Mary and I was wondering if I could ask you a few questions?

BEAUDREY

Like a survey?

MARY

Yeah, sort of, would you mind coming to my office?

BEAUDREY

I'm waiting for my mom.

MARY

Please BeauDrey. I know what happened to you in Minneapolis.
