Thanks for letting me crash here.  
Did you have fun last night?

BEAUDREY

You and that Leah girl seem to know each other pretty well. I bet you wanna get on her.

QUINN

Leah? (waits for response) Why, are you jealous or something? She's like a sister to me ay, yeah she's hot, but I couldn't imagine getting on her.

BEAUDREY

In that case, does she have a boyfriend?

QUINN

You wanna get on her.

BEAUDREY

Shut the hell up, I was just wondering.

QUINN

What if I said yes?

BEAUDREY

Then that would be the end of our conversation.

QUINN

She doesn't, but she had some shit happen to her a couple years ago. Some guy she went to high school with. We're going out again tonight.

BEAUDREY
